9. Criteria for admission to the programme

For year one admission, Middlesex University general entry requirements apply, including GCSE's (grade A to C / score 9 to 4) (or equivalent) in mathematics and English language. Applicants whose first language is not English are required to achieve a minimum score of 6.0 in IELTS overall (with a minimum of 5.5 in each component) or an equivalent qualification recognised by Middlesex University. For students studying the programme at ACBT only, a Sri Lanka GCE 'O' level English, grade C or above or a Sri Lanka 'A' level English, grade A-C will be accepted as meeting the English language entry requirements.

Specific programme entry requirements are 112 UCAS points or equivalent. We accredit prior experiential learning and welcome mature applicants with suitable life skills and work experience. Students not meeting the programme entry requirements may be eligible to join at year zero (level 3), the foundation year.

For entry with advance standing to year 2 (or final year), candidates must have achieved both 120 credits at level four (or 240 credits with 120 credits at level five) and must have successfully met the relevant learning outcome and syllabus requirements of the programme.

The equivalence of qualifications from outside the UK will be determined according to NARIC guidelines.

10. Aims of the programme

The programme aims to:

- provide students with knowledge and understanding of organisations, their management and the business environment;
- develop critical and analytical problem-solving skills and apply these in a business context;
- prepare students for a career in business and management or further study;
- develop a wide range of general transferable skills and attributes which equip students to become effective and responsible global citizens;
- provide students with a understanding of the conceptual and practical aspects of finance.

12. Programme structure (levels, modules, credits and progression requirements)
12. 1 Overall structure of the programme
<p>The programme is studied over three years full time, three years with two flexible placements (thin sandwich) or four years if the option of a 12 months placement is taken in the third year (thick sandwich). Part time students study the programme over a maximum of six years.</p> <p>The programme is divided into study units called modules and modules are either 15 or 30 credits. The academic provision of the University is based on credit accumulation. Students will accumulate credit points by passing modules in order to gain the award of the University. To gain a BA (Hons) degree title a student must gain 360 credit points (480 if on thick or thin sandwich) of which 120 must be at level six, i.e. year 3. Full time students will study modules totalling 120 credits each year while part time students will take between 60 to 90 credits per year.</p> <p>There are five compulsory modules in the first year (level 4). These modules are designed to give a solid grounding in business and management and bring all students to a standard level of competence to pursue further study in the subject.</p> <p>In the second year (level 5) students will study six compulsory modules designed to enhance and broaden their understanding of the core aspects of both business and management and finance.</p>

At the end of the second year, full time students may opt to take a year's placement before returning to complete the final year of study.

In the final year (year 3 – level 6) students will study three compulsory modules designed to advance skills and knowledge appropriate to graduate level in topics fundamental to managerial decision making. Students will also choose one optional module.
