9. Criteria for admission to the programme

Details on admission to the programme can be found at:

http://www.mdx.ac.uk/courses/postgraduate/social_work/Social_Work_MA.aspx

- A first degree a higher second class honours degree or above (i.e. 2:1 or above).
- GCSE Grade C or above in English and Maths or certificated equivalences.
- Six months full-time direct work experience within a social care setting at the time of applying. Voluntary experience may be credited at an equivalent level (e.g. two years of one day per week voluntary service) as well as other relevant life experiences (e.g. informal care-giving) which may also be counted towards this experiential requirement. Relevant social care experience may be undertaken with a wide range of people that have increased support needs and who may have need of social care services. These groups may include disadvantaged children and adolescents, people with disabilities or mental health issues, older people and people from diverse and minority communities.
- We also welcome applicants with a wide variety of educational experience including equivalent qualifications from international and overseas.
- Successful completion of a written test which demonstrates the applicants' ability to write clearly and coherently in the English language. We use two testing instruments to test literacy as well as the applicants' potential to develop reflective, analytical and conceptual thinking through an essay on a topical social issue.
- Applicants whose first language is not English must meet communication and comprehension skills to International English Language Testing System (IELTS) with a score of 7 (with a minimum score of 6.5 in all elements).
- Successful performance in an individual interview which tests the applicant's communication skills, motivation and commitment, their understanding of how social work and evaluation of their life and work experiences is relevant to their training to be a social worker.
- Successful performance in a group discussion which is observed by an academic with a service user/carer and /or practitioner.
- An assessment of the applicant's suitability and fitness for practice through completion of a self-declaration, appropriate references, a satisfactory check on their criminal record and background including the safeguarding register; Disclosure and Barring Service (DBS) and any further information gathering as indicated via other professionals or further interview and assessment.

10. Aims of the programme

The programme aims to:

1. Produce post-graduate, qualifying-level social work students who, at the point of completion of their Social Work PG Dip, meet all of the HCPC Standards of Proficiency and associated Professional Capabilities Framework domains enabling students to apply for professional registration as a social worker with the HCPC.
2. Develop graduates with leadership capacity able to actively contribute to organisational practice through offering students an intellectually rewarding and stimulating 14 month post-graduate, qualifying-level programme where theory and practice are integrated throughout both academic and practice modules.
3. Equip graduates with an evidence-informed knowledge-base and embed skills for life-long learning.
4. Ensure that graduates are critical, analytical and reflective thinkers and are able to critically evaluate knowledge and research and develop scholarship through debate and analysis.
5. Promote a collaborative and transformational approach to working in partnership with the programme's stakeholders, including employers, students, practitioners and service users and carers.
6. Provide a coherent curriculum incorporating learning, teaching and assessment strategies that are mapped against the Health and Care Professions Council (HCPC) standards, linked to the Professional Capabilities Framework and the Benchmark Statement for Social Work (QAA, 2016).
7. Contribute to and champion the mission of the University by working closely within its structures and processes, to ensure that student support is maximised and valued to enable them to successfully achieve their ambitions.

14. Information about assessment regulations

The social work programmes abide by the assessment regulation outlined in Middlesex University's guide and regulations. Owing to the professional nature of this programme, there are a number of additional regulations. The University is required to abide by the entry threshold criteria and standards of conduct, performance and ethics of the Health and Care Professions Council. In addition, students must pass the readiness for direct practice assessments in term one before they can commence their first placement. Fitness for Practice is assessed continuously throughout and complies with the Fitness for Practice Procedures in the Appendices of this Handbook. Breach of these procedures may lead to an investigation and subsequently the student may be asked to leave the programme.

All components of the Programme must be successfully completed before the PG Dip Social Work can be awarded. Fail grades are not compensated for on any social work module.

A minimum of 75% student attendance is required for all PG Dip social work modules in order for students to be entered for assessment. Practice learning must have a 100%

attendance through completing the number of days required, 70 in the first placement and 100 in the second. Students must also complete 30 days of direct practice skills throughout the programme.

Only two attempts are normally given to students for each module unless there are exceptional circumstances with clear evidence, at the discretion of the Director of Programmes. Placements are the exception to this where a second attempt at placement is only given following an investigation into the circumstances and endorsement by the Practice Advisory Panel.

15. Placement opportunities, requirements and support

Practice learning takes place in organisations and settings centred on the provision of social work and social care. Our placements are all quality assured and the learning opportunities are identified in accordance with the thresholds of learning in the Professional Capabilities Framework. For example, you can expect to typically have your first placement in a community based setting within the private or voluntary sector where you will gain experience of direct work with service users, in undertaking assessments and interventions and of working with other professionals within inter-professional networks. In your final placement you will gain experience of undertaking statutory tasks and you are likely to be placed in a local authority or health trust providing adult or children's services. Placements are also matched to students' learning needs

16. Future careers

There are a wide variety of career opportunities for qualified social workers in the statutory, voluntary and independent sectors. These are with different user groups in different models of social welfare.

The University organises annual career fairs for students. Tutors support students' preparation through their Tutor Groups and professional development planning as well as linking them to the central university services.

17. Particular support for learning

Students have an allocated personal tutor throughout the programme, who oversees the academic and professional development of this student.

The social work programme makes effective use of the University Student Support Services and the Information and Learning Resource Services.
