

## What to pack

You will need clothes and shoes for all seasons as the climate in the UK varies from 14-30 degrees in summer to 1-5 degrees in winter.

### Essential things to bring

- Clothing and shoes for all seasons
- Comfortable walking shoes
- An umbrella
- Medications and any notes from your doctor
- Electrical adaptors for a British 3-pin socket
- Important documents and a photocopy/scan of plane tickets, passport, visa, birth certificate, and driving license if possible
- Photos of family and friends, posters and pictures to make you feel at home
- Important school work that could be useful in your studies
- Bi-lingual dictionary
- Towels and toiletries
- Bed linen (if staying in private accommodation – this will be provided in halls).

Don't pack food, pans, or crockery. There are strict rules about importing food from abroad, and you can buy bulky items like pans and crockery very cheaply once you arrive.

- Health certificates, including vaccination records, plus X-ray reports if necessary
- Any insurance documents.
