

Academic Professional Apprenticeship (APA) and Postgraduate Certificate in Higher Education

Hendon January 2021 start

The January cohort will undertake LED4010, LED4011, and LED4012 online/ by distance learning (no attendance on campus required). The modules will be taught via a combination of carefully curated online content and asynchronous discussion boards on My Learning (Moodle). In addition, virtual live sessions will be held via Zoom either on Monday or Wednesday depending on which group a participant belongs to. LED4013 will be offered face-to-face on campus (if circumstances permit it by then) or online if needed.
