# WELCOME

## to your Middlesex Postgraduate Open Evening

Our Open Evenings give you the opportunity to find out more and explore the benefits of studying a postgraduate course at Middlesex.

Meet our academic staff to discuss your programme of interest. Attend talks and speak to our student support staff and current students, and take this opportunity to get all your questions answered. Tour the campus and explore our facilities.

## OPEN EVENING PROGRAMME

### Subject and Information Fair

Quadrangle, College Building

5.00 – 7.30pm

Academic representatives from each department will be available to give you personalised advice on your study options and suitability for the course. Staff from Learning Resources and Student Services will also be on hand to offer you help and advice. (See map)

### Information/Subject Talks

Attend information and subject specific talks (where relevant) – see schedule.

### Admissions

CG01, College Building

5.00 – 7.30pm

Our admissions staff will be available to answer your admissions questions, and to process your application and offer.

### Chat to Current Students Zone

Quadrangle, College Building

5.00 – 7.30pm

Meet our current postgraduate students in the chat to current students zone. Find out from existing students what it's like to study at postgraduate level at Middlesex.

### Campus Tours

Quadrangle, College Building

5.00 – 7.30pm

Campus tours are available throughout the evening from the Campus Tour meeting point in the Quadrangle.

### Lab Tours

Quadrangle, College Building

Tour of our Natural Sciences labs, Computing and IT and Design Engineering and Mathematics facilities will depart from the Science and Technology fair zone. Ask at the Natural Sciences, Computing and IT or Design Engineering and Mathematics tables.

## EDUCATION

### **TAUGHT BY EXPERIENCED PROFESSIONALS:**

You'll be taught by experienced academics who are research leaders across areas of diversity, child development, multilingualism and education.

### **PERSONAL SUPPORT:**

You will be allocated a Personal Tutor to receive the academic and well-being support that you need as well as a wealth of University resources and Learning Enhancement Team support.

### **STRONG EMPLOYABILITY PROSPECTS:**

Our graduates have an excellent reputation within the profession, and our employment rates are extremely high. Many graduates gain their first class teacher role in the school where they carry out their final School Experience, and many also continue to work with the university as members of staff in partnership schools.

## HEALTH

### **SUPPORT FOR YOUR CAREER:**

Our students have the opportunity to build excellent relationships with charities, local authorities and health authorities.

### **STATE-OF-THE-ART-FACILITIES:**

Your studies are supported by brand new state-of-the-art facilities including unique access to Virtual Reality/Augmented Reality and industry-leading simulation equipment.

### **STUDENT SUPPORT:**

Our support staff really do prioritise our students first – from 1-1 tutoring to our Canine Teaching Assistants, who help our students relax and find calm during assessments and busy times.

### **Unsure about anything?**

Ask one of our friendly student ambassadors on the day. Or find out more for our postgraduate students with our unibuddy chat.

**Chat now at: [www.mdx.ac.uk/chat](http://www.mdx.ac.uk/chat)**

## SCIENCE AND TECH

### Course flexibility

We maintain a flexible approach across our courses delivering both skills-based and theoretical learning, whilst also providing opportunities to work with real clients to ensure that you are practically equipped for your career.

### State-of-the-art facilities

Our incredible facilities allow you to work with world-class equipment to enhance your skillset, this includes the design and innovation centre – redLoop, and the brand new £23 million redevelopment project of the West Stand at Saracens' StoneX Stadium, opening in autumn 2022.

### Graduate roles

Our graduates have gone on to apply their skills and learning within roles at the likes of Arsenal FC, Dyson, Ernst & Young, FIFA, McLaren Automotive, Nike, Public Health England, the RFU and Transport for London.

## BUSINESS

### Course flexibility

Our hybrid model of on-campus and online learning coupled with part time study options allows individuals to tailor their learning and progress at a pace that fits their circumstances.

### Enhanced career opportunities

Many of our postgraduates have gone on to secure roles at organisations such as Bank of America, Bank of England, Barclays, Credit Suisse, Deloitte, RBS and Shell.

### Outstanding Facilities

Gain access to our state-of-the-art Financial Markets Lab alongside financial software such as Bloomberg, Datastream and Sage.

## LAW

### Course flexibility

Our hybrid model of on-campus and online learning coupled with part time study options allows individuals to tailor their learning and progress at a pace that fits their circumstances.

### Enhance your career prospects

Any postgraduate law qualification is highly marketable and previous graduates of our programmes have gone on to work for legal departments of public and private sector organisations, multinational companies, international organisations, governmental departments and within the judiciary.

### Learn from Industry Experts

Learn from teaching staff who are engaged in major research across a range of fields including commercial law, human rights, international law, and European law.

## Apply now

If you are ready to make an application, our academic representatives will be able to discuss your eligibility for the course and make on the spot offers to those who meet our criteria.

**Take your completed (signed by academic) fast-track application to the admissions office for processing.**
