

# List of changes to the University Regulations for 2021/22

To be published along side Regulations.

## Overall changes

Each section can be reached via a link in the Contents page  
Policies have been moved from the back to the front of the document

## Section A – The Learning Framework

Minor updates to reflect restructure and new titles (and throughout document)  
Minor updates to clarify maximum length of registration  
Changes to reflect approval process of deviation from MDX Regulations in A1 and A7

## Section B – General regulations for admission

No changes

## Section C – Regulations for taught programmes of study

C8 - Updated to reflect current practice (electronic submission of work)  
C13.4 – inclusion of transfer of graded credit for Police Consortia students  
C16/C15 – update to refer to Live lectures now that recording is more common.

## Section D – Regulations for Assessment Boards

D10 - Small amendments to Rights and Responsibilities of External Examiner Subject Board to better reflect current practice

## Section E – Assessment and progression regulations for taught programmes.

E3.5/E4.4 – clarification around circumstances under which students can return to study following an exit award.

E5/E6 – Assessment Submission times changed to correlate to C8

E8(UG) – added in reference to Integrated Masters and Level 7

E10/E11 – addition of Digital Diploma Supplements and Certificates.

Note that we propose not to provide printed Diploma supplements (except for students on validated and franchise programmes at partner institutions). If a student requests a printed Diploma Supplement one will be provided free of charge. We will continue to provide printed Certificates.

## Section F – Academic Integrity and Misconduct Regulations

Inclusion of reference to third party reporting (whistleblowing) and collusion in online exams.  
(Policy and Procedures updated accordingly)

## Section G – Appeal regulations and procedures

Introduction of a requirement for the student to notify us of acceptance of informal offer so that records can be updated and staff informed.

## Section H – Student responsibilities

H7 – assessment – minor updates to reflect current practice

## Section J – Middlesex University Qualifications

J4 & J5 - Reference to the new Policy and Procedures of Conferral of Aegrotat and Posthumous Awards.

## Section K – Examination room rules for candidates

Included addition of Collusion during an online exam

## Section L - The invigilation of examinations

Removal Section L2 – L4 guidelines to Invigilators and reference to the Guidelines document

## Section M - Code of Assessment Practice minimum requirements

M1 - Addition of reference (and link) to anonymous marking policy
