
Guidance 10(v) Articulation mapping proforma – programme level

Faculty:

Partner name:

Partner location(s):

Use the space below to map the knowledge and skills of the entry programme award directly to the proposed level of study in the MU programme.

Partner qualification name	MU qualification name	Year & stage of entry/ Pre-accreditation credits to be awarded/ Exemptions, if any	Entry requirements, including any specific modules/portfolio review

I have reviewed the proposed entry programme and recommend entry with advanced standing:

Programme Leader or nominee name:

Signature:

Date:

Submit to external examiner, along with the detail of the entry programme used for the mapping and the programme specification of the relevant MU programme. External examiner approval is required if offering year 2, level 5 entry and above.

I have reviewed the mapping of the proposed entry programme and the credits for entry with advanced standing and confirm equivalence for the purposes of entry with advanced standing:

External Examiner Name:

External Examiner Signature:

Date:
