# WHERE YOUR NEXT STEP BEGINS

Postgraduate  
Open Evening

Tuesday 9 September 2025  
5.00–7.30pm

# WELCOME to your Middlesex Postgraduate Open Evening

Our Open Evenings give you the opportunity to find out more and explore the benefits of studying a postgraduate course or research degree at Middlesex.

Meet our academic staff to discuss your programme of interest. Attend talks and speak to our student support staff and current students, and take this opportunity to get all of your questions answered. Tour the campus and explore our facilities. You can also make a fast track application during the evening to be in with the chance of receiving an on the spot offer.

If you have already applied, now is also a great time to attend our Applicant talk offering advice on the next steps to becoming a postgraduate student at Middlesex. Be sure to stop by and chat with our current students in the Quad to find out about their experience of postgraduate study with Middlesex.

## **Postgraduate loans up to £12,858**

Find out the latest information about the Government Postgraduate loans. Attend the Funding your postgraduate studies talk and meet with our Finance and Welfare service to discuss your funding options.

## OPEN EVENING PROGRAMME

### Subject and Information Fair

Quadrangle, College Building

Academic representatives from each department will be available to give you personalised advice on your study options and suitability for the course. Staff from Student Services will also be on hand to offer you help and advice. (See map)

### Information/Subject Talks

Attend information and subject specific talks (where relevant) – see schedule. If you have already applied, we recommend attending our Next Steps to becoming a PG Student talk. You can find out more about what happens after you get an offer, get info on enrolment, and what you need to do before you arrive.

### Admissions

CG01, College Building

Our admissions staff will be available to answer your admissions questions, and to process your application and offer.

### Chat to our Current Students

Quadrangle, College Building

Meet our current postgraduate students and get insights into what it's like to continue your studies at Middlesex.

### Campus Tours

Quadrangle, College Building

Campus tours are available throughout the evening from the Campus Tour meeting point in the Quadrangle.

### Lab and Facilities Tours

Quadrangle, College Building

Tours of our Natural Sciences labs, Computing and IT and Design Engineering and Mathematics facilities will depart from the Science and Technology fair zone.

### Postgraduate Research Degree Advice

Quadrangle, College Building

Interested in undertaking a research degree? Our research academics are available to give advice on the application process, fees and funding, and offer tips on writing your proposal.

## ARTS AND CREATIVE INDUSTRIES

### FLEXIBLE TO SUIT YOUR CAREER GOALS

Shape your studies around work commitments so that you can pursue your ambitions with structured support from experienced academic practitioners.

### VALUABLE AND TRANSFERABLE SKILLS

Enhance your career opportunities by getting the skills the arts and creative industries are looking for.

### WORLD-CLASS FACILITIES

Including fully equipped film and recording studios, theatres, digital media suites and our art and design library.

## BUSINESS

### COURSE FLEXIBILITY

Our hybrid model of on-campus and online learning coupled with part time study options allows you to tailor your learning and progress at a pace that fits around you.

### ENHANCED CAREER OPPORTUNITIES

Many of our postgraduates have gone on to secure roles at organisations such as Bank of America, Bank of England, Barclays, Credit Suisse, Deloitte, RBS and Shell.

### OUTSTANDING FACILITIES

Gain access to our state-of-the-art 24/7 Financial Markets Lab alongside financial software such as Bloomberg, Datastream and Sage that can be used for your studies or personal trading hobbies.

### Apply now

If you are ready to make an application, our academic representatives will be able to discuss your eligibility for the course and make on the spot offers to those who meet our criteria. Take your completed (signed by academic) fast-track application to the admissions office for processing.

## HEALTH AND EDUCATION

### LEARN FROM EXPERIENCED PROFESSIONALS

Partnering with a variety of hospitals, schools, education settings, charitable, private and public sector organisations, we have a history of pioneering excellence that is recognised worldwide.

### PERSONAL SUPPORT

You can also have the opportunity to be allocated a Personal Tutor to receive the academic and well-being support that you need as well as a wealth of university resources and Learning Enhancement Team support.

### STRONG EMPLOYABILITY PROSPECTS

Our postgraduates have an excellent reputation within the profession, and our employment rates are extremely high. Our students have gained their first class teacher role in the school where they carry out their final school experience, and many also continue to work with the university as members of staff in partnership schools.

## LAW

### COURSE FLEXIBILITY

Our hybrid model of on-campus and online learning coupled with part time study options allows you to tailor your learning and progress at a pace that fits around you.

### ENHANCED CAREER OPPORTUNITIES

Any postgraduate law qualification is highly marketable and previous postgraduates of our programmes have gone on to work for legal departments of public and private sector organisations, multinational companies, international organisations, governmental departments and within the judiciary.

### LEARN FROM INDUSTRY EXPERTS

Learn from teaching staff who are engaged in major research across a range of fields including commercial law, human rights, international law, and European law. All our academics have had several years of experience working in law, and can help you gain the skills necessary for a career in law.

## SCIENCE AND TECHNOLOGY

### COURSE FLEXIBILITY

We maintain a flexible approach across our courses delivering both skills-based and theoretical learning, whilst also providing opportunities to work with real clients to ensure that you are practically equipped for your career.

### STATE-OF-THE-ART FACILITIES

Our incredible facilities allow you to work with world-class equipment to enhance your skillset, this includes the design and innovation centre – redLoop, and the brand new £23 million redevelopment project of the West Stand at Saracens' StoneX Stadium.

### CAREER PROSPECTS

Our postgraduates have gone on to apply their skills and learning within roles at the likes of Arsenal FC, Dyson, Ernst & Young, FIFA, McLaren Automotive, Nike, Public Health England, the RFU and Transport for London.

### Unsure about anything?

Ask one of our friendly student ambassadors on the day. Or find out more from our postgraduate students with our unbuddy chat.

Chat now at: [www.mdx.ac.uk/chat-with-students](http://www.mdx.ac.uk/chat-with-students)
