Professional qualifications / memberships

Awarding body

Date(s)

Please continue on a separate sheet if needed.

Personal statement in support of the application

You should include here a statement (in English) indicating the context, topic and original contribution of selected works on which the application is based. You should strive to identify cross-cutting themes about the public works. The application process will assess the coherence, significance and originality of the works in the context of their production. The statement should not exceed 500 words and should enable the University to assess the area(s) to which the application is relevant.

Please enter details of any public / published works relevant to your application. The work has to be in the public domain and accessible at the time of the application.

Title	Location / URL	Participation / Authorship

Please continue on a separate sheet if needed.

Please list any works submitted to other degrees which may be relevant to your application
