EVENT

London Conference on Sustainability and Environmental Education in Secondary Schools

Schools are invited to send a delegate, free of charge, to this exciting CPD event which is tailored for secondary education staff, particularly sustainability leads, senior leaders, and those keen on advancing environmental education within their schools.

TUESDAY 2 JULY

at Middlesex University, The Burroughs, London NW4 4BT

Engage with leading experts, educators, and advocates in lively discussions and workshops designed to empower attendees with practical ideas and tools to integrate sustainability and environmental education across your school community.

KEY TOPICS INCLUDE:

- 1. Whole-School Approach:** Explore strategies for fostering a culture of sustainability within your institution, involving staff, students, and the wider community.
- 2. Student Engagement:** Learn how to inspire and empower students to become agents of positive change through hands-on activities and projects.
- 3. Partnerships and Resources:** Learn about valuable partnerships and resources available to support schools in their sustainability journey.
- 4. Curriculum Integration:** Discover effective ways to embed sustainability into various subject areas, enriching teaching and learning experiences.

To view the full programme and to secure your free school place at this exciting CPD event visit our [Eventbrite booking page](#).

Don't miss this opportunity to be part of a growing movement towards a more sustainable and environmentally aware education system.
