Middlesex University Education Liaison and Outreach Team

The Middlesex University Education Liaison and Outreach Team provides information and advice for students, careers advisors and teachers, as well as supporting those who are applying to university and helping them to make informed choices.

We offer a range of presentations, interactive workshops and events to assist students on matters such as making choices, preparing for student life, applying through UCAS, personal statement success and finance.

For further information, please email educationliaison@mdx.ac.uk

Subject-specific events and workshops

TASTER DAYS

Do your students want to learn more about studying at uni? Book a taster day to experience a range of subject-specific sessions, explore our campus and speak to current students. Delivered by our expert lecturers, these sessions are the perfect complement to existing programmes of extra-curricular activities for Year 12+ students.

Year groups: 12, 13

Availability: On request

Location: On campus

SUBJECT-SPECIFIC PRESENTATIONS

Our academics can visit your school or college to provide an introduction to their course for prospective students. This is a great opportunity for students to find out more about what they will study at university and ask any questions.

Year groups: 12, 13

Availability: On request

Location: At your school/college

NHS AND HEALTH AND SOCIAL CARE CAREERS FAIR

We've partnered with the North Central London Training Hub to bring you a careers fair packed with info about careers in health and social care. This is a fantastic opportunity for students to connect with MDX Healthcare lecturers and professionals, learn about their journey into healthcare, and ask questions about careers in the NHS.

Year groups: 10+

Availability: As part of National Careers Week

Location: On campus

STEM FESTIVAL

Do your students love STEM subjects? They're invited to our annual STEM festival, held to celebrate British Science Week in March. From live demonstrations to interactive sessions, we'll be running a range of dynamic STEM activities to help your students explore their favourite STEM subjects at university level. Plus, they'll be able to meet our lecturers and chat to current students about studying STEM at MDX.

Year groups: 7-12

Availability: As part of British Science Week

Location: On campus

Subject-specific events and workshops (continued)

GROWING ASPIRATIONS: EXPERIENCE DAYS

From action-packed tours to LEGO-building workshops, our experience days aim to inspire your students into thinking about higher education in new ways.

Led by MDX staff, lecturers and students, our sessions offer creative and interactive activities for students in Year 6 – 11 to enjoy. Please see some example workshops below.

Year groups: 6–11

Availability: Throughout the year

Location: On campus

LEGO UNIVERSITY LIFE

Could your students build their own university? In this fun workshop, your students will learn all about courses, campus facilities and life at university by building their own LEGO uni. Led by LEGO Education Academy Trainer, 'The Brick Educator'.

Year groups: 6, 7

MY NEW SOCIETY

Led by our wonderful student ambassadors, this workshop focuses on the social side of uni. Your students will be invited to design and create their own society, whilst learning more about MDX societies, sports clubs, and uni life.

Year groups: 8, 9, 10

JUNIOR ENTREPRENEUR OF THE YEAR COMPETITION

Know any budding entrepreneurs? Your students can enter our Junior Entrepreneur of the Year competition, held in conjunction with Global Entrepreneurship week.

Created in partnership with Natwest and MDX lecturer Dr Simon Best, the competition invites students from local schools to compete in several stages at their school, before a final pitch and demonstration on campus. The competition offers students a fantastic opportunity to develop their creativity and gain valuable experience in presenting their ideas to top entrepreneurs.

Year groups: 8

Availability: Launch in November

Location: In school and on campus

University Application Support

UNIVERSITY PREPARATION WORKSHOPS

Our workshops help students feel prepared for university. We cover topics including:

- Student life
- Applying through UCAS
- Writing a personal statement
- Student finance
- Preparing for nursing and midwifery interviews.

Year groups: 12, 13

Availability: On request

Location: At your school/college

PERSONAL STATEMENT REVIEW SERVICE

This free service aims to help students write a personal statement that stands out. All students need to do is upload their draft statement as a Word document and they will receive expert feedback by our team. Students will also receive our personal statement guidance booklet.

Year groups: 12, 13

Availability: Open to all

Location: Online – Get your personal statement reviewed

HE FAIRS

Our team exhibits at national HE fairs, including UCAS and UK University Search events. If you'd like us to attend your school or college HE fair, please get in touch.

Year groups: 10, 11, 12, 13

Availability: On request

Location: At your school/college

OPEN DAYS

Our Open Days are a great opportunity for your students to tour our campus and facilities, experience their subject, speak with tutors, admissions, student support staff and current students.

Availability: Throughout the year

Location: mdx.ac.uk/ugopen

Support for teachers and careers advisors

LUNCHTIME LEARNING

Lunchtime Learning is our series of blogs and webinars for teachers and careers advisors to help you support your students as they start to look ahead to their next steps.

Suitable for: Teachers and careers advisors

Availability: On-demand

Location: Online – visit our webpage to learn more

TEACHERS AND CAREERS ADVISORS CONFERENCE

This will be an opportunity to learn more about the Higher Education sector, discuss key issues in education and discover more about Middlesex University. You will also be able to network with advisors, teachers and university staff.

Suitable for: Teachers and careers advisors

Availability: June

Location: On campus
