## SCIENCE AND TECHNOLOGY

### COURSE FLEXIBILITY

We maintain a flexible approach across our courses delivering both skills-based and theoretical learning, whilst also providing opportunities to work with real clients to ensure that you are practically equipped for your career.

### STATE-OF-THE-ART FACILITIES

Our incredible facilities allow you to work with world-class equipment to enhance your skillset, this includes the design and innovation centre – redLoop, and the £23 million redevelopment project of the West Stand at Saracens' StoneX Stadium.

### POSTGRADUATE ROLES

Our postgraduates have gone on to apply their skills and learning within roles at the likes of Arsenal FC, Dyson, Ernst & Young, FIFA, McLaren Automotive, Nike, Public Health England, the RFU and Transport for London.

## EDUCATION

### LEARN FROM EXPERIENCED PROFESSIONALS

You will be taught by experienced academics who are research leaders across areas of diversity, child development, multilingualism and education.

### PERSONAL SUPPORT

You will be allocated a Personal Tutor to receive the academic and well-being support that you need as well as a wealth of university resources and Learning Enhancement Team support.

### STRONG EMPLOYABILITY PROSPECTS

Our graduates have an excellent reputation within the profession, and our employment rates are extremely high. Many graduates gain their first class teacher role in the school where they carry out their final school experience, and many also continue to work with the university as members of staff in partnership schools.

## HEALTH

### SUPPORT YOUR CAREER

Our students have the opportunity to build excellent relationships with charities, local authorities and health authorities.

### STATE-OF-THE-ART FACILITIES

Your studies are supported by brand new state-of-the-art facilities including unique access to Virtual Reality/Augmented Reality and industry-leading simulation equipment.

### STUDENT SUPPORT

Our support staff really do put our students first – from 1-1 tutoring to our Canine Teaching Assistants, who help our students relax and find calm during assessments and busy times.

## ARTS AND CREATIVE INDUSTRIES

### FLEXIBLE TO SUIT YOUR CAREER GOALS

Shape your studies around work commitments so that you can pursue your ambitions with structured support from experienced academic practitioners.

### VALUABLE AND TRANSFERABLE SKILLS

Enhance your career opportunities by getting the skills the arts and creative industries are looking for.

### WORLD-CLASS FACILITIES

Including fully equipped film and recording studios, theatres, digital media suites and our art and design library.

### EXCLUSIVE LAUNCH DISCOUNT

A 20% tuition fee discount is offered to all students enrolling on one of our 13 new creative MA courses in 2026.

## LAW

### REAL-WORLD EXPERIENCE

Build practical legal skills through opportunities to volunteer with our Legal Advice Centre, undertake work placements, and take part in study trips, including an international trip to Strasbourg.

### STRONG EMPLOYABILITY PROSPECTS

Any postgraduate law qualification is highly marketable and previous postgraduates of our programmes have gone on to work for legal departments of public and private sector organisations, multinational companies, international organisations, governmental departments and within the judiciary.

### LEARN FROM INDUSTRY EXPERTS

Learn from teaching staff who are engaged in major research across a range of fields including commercial law, human rights, international law, and European law. All our academics have had several years of experience working in law, and can help you gain the skills necessary for a career in law.

## BUSINESS

### COURSE FLEXIBILITY

Our hybrid model of on-campus and online learning coupled with part time study options allows individuals to tailor their learning and progress at a pace that fits around them.

### ENHANCED CAREER OPPORTUNITIES

Many of our programmes offer a Professional Experience Pathway, giving you the opportunity to undertake a year-long industry placement to develop practical skills and enhance your employability. Our postgraduates have gone on to secure roles at organisations such as Bank of America, Bank of England, Barclays, Credit Suisse, Deloitte, RBS and Shell.

### OUTSTANDING FACILITIES

Gain access to our state-of-the-art Financial Markets Lab alongside financial software such as Xero, Datastream and Sage that can be used for your studies or personal trading hobbies.

## OUR ALUMNI

“When I came to see the University, the people I spoke to inspired me. The teaching, practical examples and opportunities I had during the course made me happy about my choice.

One of the modules, on Digital Marketing, made me choose my career. Some of the things that I learned at Middlesex I still apply, like SWOT analysis and market research. In fact, this is exactly what I do now.”

Danish Bagadia

Regional Director of Sales and Marketing, DeltaX  
Middlesex Alumni, Marketing Management MA

## POSTGRADUATE FINANCIAL SUPPORT

We offer a range of funding support options including, Alumni discount worth up to 20% off postgraduate fees, and a Postgraduate loan of up to £13,206 to help fund your studies. Terms and conditions apply. Visit our website for further details.
