

Middlesex
University
London

**MAKE YOUR
FUTURE AT
MIDDLESEX**

PREPARATION DAY

Saturday 11 July 2026 | 9.30am–3pm

Today marks an important step in your journey to Middlesex University as you prepare to start your course in September.

Middlesex is proud to be ranked No.1 for Career Prospects and No.1 for Facilities in London by our own students*, with support to help you develop personally and professionally.

This is your chance to find out why our students love it here - by meeting your tutors and our student support teams and speaking to current students about their experiences. I hope that you'll leave today feeling very excited for the future!

Professor Shân Wareing

*Whatuni Student Choice Awards 2026

Unsure where to go?

Ask one of our friendly student ambassadors wearing red t-shirts.

Health and Education

Partnering with a variety of schools, education settings, charitable, private and public sector organisations, we have a history of pioneering excellence that is recognised worldwide.

SUPPORT FOR YOUR CAREER

You will have the opportunity to build excellent relationships on your placement year with charities, local authorities, schools and health authorities.

STATE-OF-THE-ART-FACILITIES

Your studies are supported by state-of-the-art facilities including unique access to Virtual Reality/Augmented Reality and industry-leading simulation equipment.

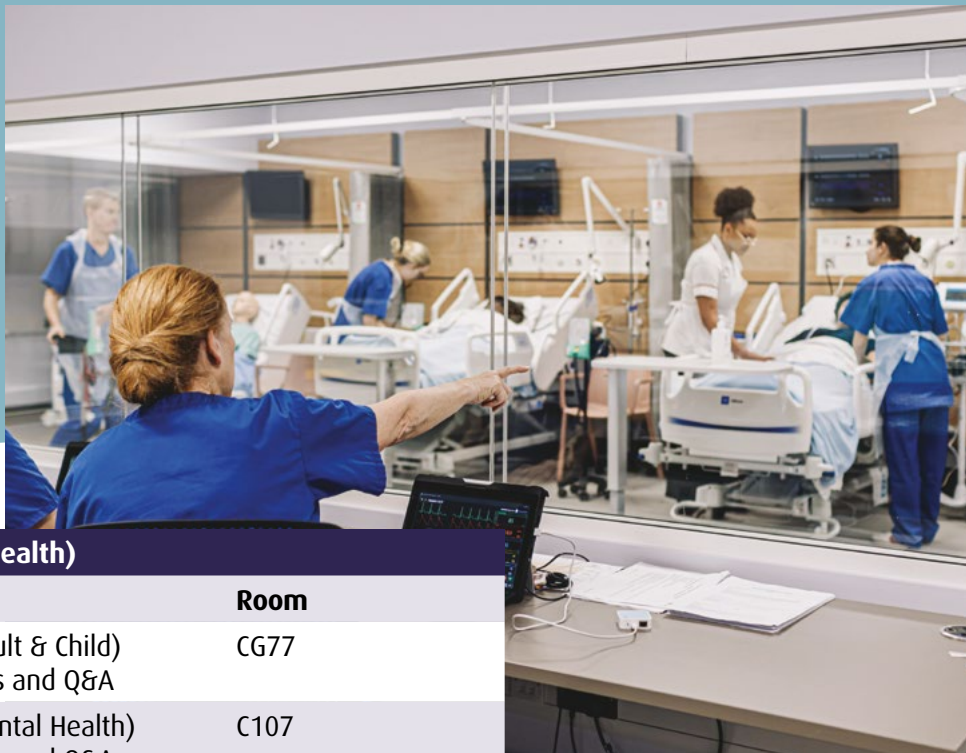

STRONG EMPLOYABILITY PROSPECTS

Our undergraduates have an excellent reputation within the profession, and our employment rates are extremely high. Our students have gained roles in local schools, NHS, local government and many also continue to work with the University.

Science and Technology

With incredible facilities, industry links and academic professionals, our courses are carefully designed and delivered to give you the essential learning and experience you need for your future career.

STATE-OF-THE-ART-FACILITIES

You'll have access to our world-class laboratory facilities including the £23 million redevelopment project of the West Stand at Saracens' StoneX Stadium. You'll develop your hands-on experience with our fully equipped diagnostic suites which are designed to replicate a clinic setting.

PLACEMENT OPPORTUNITIES

We offer a range of placements, events and field trips to enhance your learning and we have fantastic placement opportunities in some of London's most prestigious healthcare institutions through the University's excellent relationships with local NHS Trusts.

LEADING ACADEMICS

Our staff are also on the cutting edge of research and are committed to helping develop your skills so you can enter the workplace with confidence.
